The Event is open only to current financial or life members of CAMS affiliated car clubs or entrants may join the Walkerville All Cars Club (WACC). Both crew members must be financial members (i.e. driver and co-driver) **when their entry is received and during the event.**

As a round of the MRF Tyres South Australian Rally Championship, only drivers or co-drivers who are registered for the Series in accordance with the 2018 South Australian Conditions of Rallying will be eligible for points in the MRF Tyres South Australian Rally Championship.

Vehicles with a driver and co-driver who are eligible for the MRF Tyres South Australian Rally Championship may be entered in the Rally of the Heartland and also be eligible for all event Awards.

Where Competitors enter only the MRF Tyres South Australian Rally Championship part of the event, the crew will not be eligible for event Awards. They will also not be eligible to be seeded with event crews.

Crews shall consist of 2 persons only, one nominated as the Driver and the other as the Co-driver, and the same crew shall be required to compete in those respective positions throughout the Event (unless permission to change is granted by the Clerk of the Course).

The CAMS certificate of insurance under the heading "Compensation" sub-heading "Non Medicare Medical Expenses" reads: "Excludes services for which the insured is eligible to receive Medicare benefits. No benefit is payable in respect of the Medicare gap between the payment by Medicare and the charge incurred".

Crews involved in accidents resulting in property damage (including fences) are advised that they will be required to pay up to the first \$10,000 of any claim to rectify such property damage. Crews agree to this excess by entering the event. Refer Appendix I of the CAMS Manual of Motor Sport for further details regarding insurance cover.

Competitors who do not have a DPI issued by their State Rally Panel are requested to complete the Previous Performances section of the Entry Form to enable an equivalent grade to be assigned. Copies of results from the listed events would be of assistance.

All competitors will be run at 2-minute intervals, with a small gap (approximately 4 minutes) between the Classics field and the SARC.

Organisers reserve the right to change intervals and the gap at their sole discretion

The running order for the rally will be Classics crews seeded together, followed by the SARC seeded together, followed by Clubman

The RallySafe system will be used for electronic monitoring of any deviation from the official route.
